TOP GOAL SCORER

The top goal scorer is worked out using a formula of the amount of goals divided by the number of games played in a team. This gives a ratio of goals scored per game in the team over a season. There is a minimum game requirement of 50% of the available games in the given roster.

G&D (GUTS & DETERMINATION)

The G&D is as its name states an award for the player that shows Guts and Determination consistently over the season; a player you rely on to always give 100 percent "both in games and at training". Its origins go back 25 years ago when typical SBHC supportive parents Val and Ossie Smith recognized that some players may not be recognized by the umpires as the most skillful player but they are a player that you would always have in the top end of your list when picking a team.

CLUB PERSON AWARD

OWEN FRASER MEMORIAL TROPHY

Awarded to the person deemed to have made an outstanding contribution to the club in last 12 months, a contribution that benefited the Club much

more than it did the individual. Such people contribute heavily through administrative, coaching, umpiring and managing functions, far above what might be expected from the average player or social member and contributes to the Clubs future.

Club song

We're a happy Team, South Burnie.

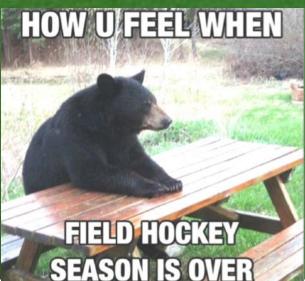

We're the Mighty Fighting Hawks.

We love our Club, and we play to win,

Riding the bumps with a grin (South Burnie)

Come what may, you'll find us striving.

Team work is the thing that talks,

One for all and all for one

Is the way we play at South Burnie

We are the Mighty Fighting Hawks
